【Brief introduction of Asia University and colleges】

1. Brief introduction of Asia University

Asia University is a comprehensive university, the ideas of “Education of love, holistic education, intellectual liberty and professional autonomy”, and the core value of “Think for students, respect for teachers and proud of school” were held since its founding, with the motto of “health, care, innovation and extraordinary” we cultivate talents in the balance of academic and ethic, innovation and tradition.

Asia University has been founded 13 years, with the policy of offering employment to professionals from abroad or local, improving teaching equipment, innovate educational resource, and build the beautiful Europeanized campus, and obtained “Teaching Excellence Project” fund provided by the Ministry of Education for 9 years, now we are in the list of National and Private Merit Universities, under the decreasing birth rate the students’ number raised from 1,200 at the beginning year to 13,000 nowadays, thrived 10 times against the current, which is widely praised.

President of Asia University Cai, Jin-Fa said that since the school had been founded for 13 years, our school performs well in each items, and was ranked 53 in 2014 Times Higher Education World University Ranking of Universities in BRICS & Emerging Economies worldwide and No.10 in Taiwan. We promote education in the ideas of energy efficiency and carbon reduction therefore rewarded “World Green University” and was ranked 41 worldwide, No.2 in Taiwan, we are the first university which had passed ISO50001 Energy Management System Verification. Our performance in Ministry of Education were excellent and obtained “Teaching Excellence Project” fund for 9 years, we were ranked No.1 in University School Evaluation within private universities (group 3) in 2005, passed all the items in departments evaluation and school affairs evaluation in both 2008 and 2011, outstanding international achievements award, also received excellent award in moral education; Campus landscape is classic and artistic, and was awarded golden medal in “National Excellence Construction Awards.” We invited 14

Nobel Prize winners and international professionals to come to Taiwan and share their experience with our teachers and students face to face, Tadao Ando Museum was inspired by master.

There are 25 departments and 2 world class research centers: “Mushroom Research Center” and “T-DNA Rice Center” in our university. Within 5 ongoing National Integrated Research Programs funded by Ministry of Science and Technology, we developed pioneering colorful tree fungus which is full of polysaccharides, and anti-aging black glutinous rice which is full of anthocyanin and other innovative products, continuing to contribute in healthy food and medical care. With the rising research energy within our teachers, the total amount of the thesis in SCI, SSCI, A&HCI and EI in 2013 and 2014 were 781, ranked No.23 among 160 universities in Taiwan.

Our students have been performing excellently in national design and invention competitions in recent years, since 2013 we won 211 medals (66 golden medals included) in National Invention Competitions in Malaysia, Seoul, Geneva, and Paris, shined with their talents worldwide. And good performance at Red dot, iF Award design competitions, so far we have won 28 Red dot and IF awards; there are 9 pieces of work were nominated in the so-called “Oscar Award in design”: IF. With the great performance Asia University was ranked No.29 worldwide. In 2013 fellowship for promoting students in international competitions, Asia University was ranked No.1 in higher education system. We take care of our students in all aspects, with counselors in class, career advisors and “Mentorship” family programs to give advice in selecting courses and learning, providing career life advice and planning to students, and take our students to visit industries, we think for our students’ lives and study thoroughly.

Which rich and diverse teaching resources, classic and artistic campus, we sincerely look forward to your participation, and wish you have a wonderful college life!

Asia University is in top 100 in 3 World University Rankings

All time record of 13 pieces of students' works win Red Dot Design Award

British Times Higher Education published 3 rankings continuously in the last six months, Asian University which had been founded for 13 years is in Top 100 in 3 World University Rankings! (See table). Vice Minister of Minister of Education Chen, De-Hua said that in the absence of substantial government funding and resources given to the private universities, the courage and determination of one of the founder Cai, Chang-Hai breakthrough the limit and make excellent performance, Asia University has established a good example of all time record!

Students have been abroad or international exchange frequently

Asia University keep up on international pace, students have increased international experience, under six major scholarships programs, there have been more than a thousand students go abroad for students' exchange, international volunteering, study abroad, internship, participating in international seminar, and take part in international invention and design competition. This summer we have more than 200 students went to universities in America, Spain and other countries for visiting industry, internship, and international volunteering, and 120 students and teachers went to Osaka, Japan, Cambodia, Indonesia, and northern Thailand for international volunteering in four consecutive years, and 18 students went to International Boutiques enterprise: Valiram in Singapore for 7 months internship.

Asia University international outstanding achievement has gained itself the fund of Ministry of Education in 7 international courses all together 16.5 million, with programs taught in English we have attracted

2013/12/9公佈

more than 300 international students from 18 countries to study here, and we have cultivated 45 international students in industrial semi-conductor programs, to help them achieve outstanding performance in study and career, for example our student Hutomo Suryo Wasisto from Indonesia who graduated in 2010 and studied in University of Brunswick, Germany, had be awarded 2012 the youngest scientist in Europe, and next month we will have Kevin Lou from Software and Microelectronics Department in Beijing University to study in semi-conductor programs and learn nano-printing technology and nano-imprint simulation software research from Professor Xu Jian, who is the representative of semi-conductor programs.

Receiving awards in international invention exhibition and Red dot!

For the last year we have 163 international students from Tulane University, American, Stanford University, and University of Malaya studied in our campus, professor Chen, Zi-Lang from Tulane University brings graduated students here in every summer break, we have 13 Nobel Prize winners come to our lecture forum, and students from Stanford University come here to do research in rice genes, we have recruited 2 PhDs from China in Department of Business Administration recently as well.

We encourage our students to take part in international invention competition, within four years offering scholarship in 20 million dollars to more than 300 students who take part in 6 international invention competitions in Paris, Geneva, and other countries, winning 211 medals (66 golden medals included). Our students perform extraordinarily in international design competition as well, winning 28 Red Dot Awards so far, among which there are 7 “Best of the best” awards; 66 students have won the awards, 13 pieces of works won in 2014, which breaks the all time record! 9 works were nominated in design awards and 2 won in the end, Asia University was ranked No.29 in world universities and made remarkable achievement.

2. Information of colleges and departments

(1) College of Management

College of Management was officially established in 2005 while related departments had been founded since 2001, including Department of Business Administration, Department of International Business, Department of Leisure and Recreation Management, Department of Accounting and Information Systems, Department of Finance, Department of Accounting and Information Systems, and Department of Financial and Economic Law. There are graduate school and in-service master's program in Department of Business Administration, Department of International Business, and Department of Leisure and Recreation Management, and graduate school in Department of

Accounting and Information Systems and Department of Finance, since 2009 we started to recruit PhD students in “Industrial economy and strategy.” With the motto of “health, care, innovation and extraordinary”, our mission is to cultivate extraordinary talents in management with professional skills, innovation, global perspectives, ethical perception, and social responsibility as our education ideal.

Department of Business Administration

Department of International Business

Department of Leisure and Recreation Management

Department of Finance

Department of Accounting and Information Systems

Department of Financial and Economic Law

(2) College of Humanities and Social Sciences

Humanities come from human conversation and expression, which is human lives and civilization activities real records. The essence of Humanities is to comprehend and explain it to help us acknowledge the real content of humanities, therefore enhancing human happiness and life qualities.

Society is where human exist and interact with others, it is the sum of all mankind activities and real situational experiences. The core of Social Sciences is to understand the interaction between society and personal experience, and focus on evaluating all the mechanisms therefore promoting mankind well-being.

Combined with the spirit of above humanities and society, we work on the aspect of real social situation, and meanwhile discover the humanities in it, with logical thinking and emotional concerns, we focus on the art of humanities with rational thoughts, therefore enhancing the depth of our thinking, in general, we are nourished by both rational knowledge and human emotions.

Department of Social Work

Department of Early Childhood Education

Department of Foreign Languages and Literature

(3) College of Creative Design

With the governmental policy “Cultural creative industry” and program “12 key talents in service sector” of CEPD and the Ministry of Education, College of Creative Design therefore being founded in 2007, and the core development and purpose of our college is to cultivate talents in cultural creative industry and design.

There are six departments in our college, “Department of Digital Media Design,” “Department of Visual Communication Design,” “Department of Creative Product Design” “Department of Fashion Design” “Department of Interior Design,” and “International Design Elite Class of College of Creative Design” ;The common goal is to cultivate cultural creative industry and design talents fit in with the needs of national development and social expectation, and develop into the best design college with diversification, enhancing academic study in design and promote international activities, carrying out the real function of service in design.

Department of Digital Media Design

Department of Visual Communication Design

Department of Creative Product Design

Department of Fashion Design

Department of Interior Design

International Design Elite Class of College of Creative Design

(4) College of Medical and Health Science

College of Medical and Health Science was established in 2005, the educational system consist of “Department of Healthcare Administration,” “Department of Health and Nutrition Biotechnology,” “Department of Biotechnology,” “Department of Psychology,” and “Department of Nursing”; Within these departments all the doctoral, master, undergraduate courses and international master program are included. Our professors were graduated from America, British, Australia and Taiwan famous universities, and serviced in medical, healthcare and biotechnology industries in Taiwan and abroad.

Our main purpose is to cultivate extraordinary talents in mid-high class healthcare and management research, improving the quality of healthcare and medical service, and with the national policies of promoting medical healthcare and applied technology, we focus on medical biotechnology, macrobiotics and agricultural biotechnology studies, and hold the ideal of integrating technology and healthcare, we aim to develop healthcare and medical biology industry, therefore assisting the compatriot and families to utilize regional resource to build up healthy lives and enrich life quality.

Department of Healthcare Administration

Department of Health and Nutrition Biotechnology

Department of Biotechnology

Department of Psychology

Department of Nursing

(5) **College of Computer Science** (官方網站上的英文是「**College of Information and Electrical Engineering**」，煩再請業主確認)

For the new era of knowledge economy, we hold the ideal of “integrate technologies and share resource” and “advance in knowledge and capability, improving in knowledge-action integration,” therefore **College of Computer Science** was founded. Our goals and strategies are to achieve “management of information and communication, enhancing innovative application of knowledge, and to cultivate extraordinary talents in information.” With the basic spirit of “health, care, innovation and outstanding,” we stands on the advantage of sustainable competition, cultivate the leading elites of this era.

Our faculties and teachers are with abundant research energy, our member predominate the tread informational technology, internet communication, video camera, digital transmission, biological information, and photoelectric green energy, expecting to develop new blue ocean strategy, improving life quality in informational society.

1. Application information

	2015 first semester (Fall)	2016 second semester (Spring)
Time of exchange	Sep. 2015 to Jan. 2016	Feb. 2016 to Jun. 2016
Application deadline	Apr. 31. 2015	Nov. 30. 2015
Period	One semester at a time (continuous application is acceptable)	
Quota	30 person per school at most	
Qualifications	Undergraduate and graduate students	
Payment	0 (No application payment needed in Asia University)	
Documents 【Please refer to annex 1 to 8】	<ol style="list-style-type: none"> 1. Short-term study application form (with photo paste on it) 2. In school transcript 3. Study plan 4. Health checklist (must use the Items required for health certificate (Type B), if one does not provide it will be forced to pay for health check at one's own expense. 5. Electric document of 2-inch whitebase photos with head & shoulder (2-inch certificate photo, only JPG format is allowed, saved personal name as document name) 6. Short-term study students' arrival report. 7. Short-term study data checklist and statement 	
Permit to enter Taiwan Application 【Please refer to annex 1】	<ol style="list-style-type: none"> 1. Permit of enter and exit application form for people from China 2. 2-inch whitebase photos with head & shoulder *5 3. Electric document of ID certification in China 4. Electric document of transcript of home institution student ID 5. Electric document of certification of student enrollment 	
Tuition charge standard 【Please refer to annex 2】	Undergraduate: NTD 2,550 per credit, charged by actual course number. Graduate: NTD 4,950 per credit, charged by actual course number. The tuition charged by actual course number, pay in cash after courses were selected, credit cards and other currencies are not acceptable.	

<p>Regulation of selecting course 【Please refer to annex 3】</p>	<p>The rules of courses/credits selected each semester:</p> <ol style="list-style-type: none"> 1. Undergraduate: 25 credits (Minimum: 15 credits, 12 credits related to one's profession are required) 2. Graduate: 15 credits (Minimum: 9 credits, 6 credits related to one's profession are required) 3. Courses information in each semester, please check system for course selection: http://210.60.30.212/course/ /课程查询系统. 4. If Graduate study in its major course, credit fee will be charged according to the regulation, if undergraduate study in graduate course, credit fee will be charged according to graduate school credit fee. <p>Checking process of selecting courses:</p> <ol style="list-style-type: none"> 1. Enter "Student information system" at: http://210.60.30.212/course/ . 2. From the front-page of Asia University : http://www.asia.edu.tw/ On the right side: "Quick Links"→ "Student Information System"→ "Course Selection" 3. Please select the year, semester, courses and department from the selection list. 4. Please fill in the course wanted into the selecting list and send back with other documents.
<p>Health care insurance</p>	<ol style="list-style-type: none"> 1. According to the Minister of Education, the students health care group insurance by Cathay Insurance is required, NTD 500 per month(5 months payment in one semester, NTD 2,500) . 2. The claims range of health care insurance includes: clinical treatment of disease, accidentally hospitalized and so on. Non-disease medical treatment is not included, such as: cosmetology, vision correction, orthodontics and more
<p>Health check 【Please refer to annex 4】</p>	<ol style="list-style-type: none"> 1. Student for short-term study must submit health checklist(must use the Items required for health certificate (Type B)) 2. if one does not provide it will be forced to take health check in China Medical University Hospital at one's own expense, the payment is around NTD 2,500(According to the annual payment standard of the hospital)
<p>Dorm information 【Please refer to annex 6】</p>	<ol style="list-style-type: none"> 1. Dorm for short-term study student is guaranteed. 2. Short-term study student must pay the dorm fee at one's own expense, NTD 14,000 per semester (4 beds room, security deposit NTD 1,000 is included) 3. Utilities, internet fee are included, washing machine and dryer are paid per time. 4. There is student restaurant offering meals, you can buy the food you need there.(Average cost per meal NTD80)
<p>Other expenditure</p>	<ol style="list-style-type: none"> 1. Student ID: Integrated with EasyCard, NTD 300/each. 2. Sleeping goods purchase: NTD 1,500(No bedding would be offered in dorm, student need to prepare beddings such as mattresses, pillows, quilts on its own)
<p>Other information</p>	<p>Living cost in school area (as a reference):</p> <ol style="list-style-type: none"> 1. Meals: daily approximately NTD 250 (evaluation based on payment in student restaurant) 2. Transportation: to Taichung city by bus approximately NTD 35-50(no payment needed within 8 km) 3. Textbook: approximately NTD 5,000(determined by the course teacher)

	<p>4. Mobile information: according to the programs of each telecom company, prepaid card approximately NTD 500.</p> <p>5. Other cost: different as personal habits, approximately NTD 8,000.</p>
<p>【Notice】</p> <ol style="list-style-type: none"> 1. Actual expense of dorm fee is subject to formal announcement each semester, Asia University reserves the right to change it. 2. Other payments are for reference only. 3. NTD is short for New Taiwan Dollar 4. Small amount of purchase in campus mostly by cash, you can find banks in and out of campus and have YOUR monetary exchanged. Bank card with China Union Pay logo is mostly available to use, our suggestion is to consult to the bank before actual usage. Mastercard and VISA card are available.

 - (1) Permit to enter Taiwan processing fee: NTD 800.
 - (2) Student ID: NTD 300 per person.
 - (3) Sleeping goods purchasing fee: NTD 1,500.

3. Class learning regulations

(1) If you want to leave the class, you need to inform your course teacher yourself, and fill in the leave request form on student information system.

1. When courses selection is completed (please confirm credits and professional courses with your teacher), there would be no withdrawal or change, each semester there will be the transaction period for student to change the courses they choose, and no longer change over the transaction period.
2. Whether any textbooks needed or not are in accordance with teacher's need.
3. Submit learning experience and thoughts before the end of semester (Studying experience instead of touring experience) 3,000 letters and photos in life/class * 5 (Note: do not download photos on internet), please submit with electric document.
4. Any behavior that is not match the regulation of school or too much absenteeism, we would report to home institution, and we would report to Bureau of Entry and Exit according to "Act Governing Relations between the People of the Taiwan Area and the Mainland Area", send the student back to its home institution, please be more cautious to self-management.

4. Accommodation: codes of conduct

- (1) According to provision, short-term study students from China shall be arranged by school, so that all students would stay in school dorm, renting a flat outside is forbidden.
- (2) There is nice and safe living environment in Asia University, all that needed everyone's maintenance and following the rules, please referred to annex 5: Accommodation: codes of conduct for detailed regulation, some of them were common violation items, please be more cautious:
 1. Do not stay out late (daily roll call at 23:30)
 2. Do not smoking, drinking, pets, cook, play mahjong and gambling in dorm room.
 3. Do not use induction cooker, electric thermos, electric spoon, heater, oven, microwave, electric heater, TV, VCR, refrigerator and audio equipment.
 4. You could borrow the keys to international kitchen from counter at 4F if needed.
 5. Entry to heterosexual floor is forbidden.
 6. Clean the dorm by its own is required.
- (3) We do not provide cotton (cool) duvet, pillow, mattresses, sheets, toiletries, etc. We suggest you not to bring them on your own, all these could be purchased by school. Please bring your own cable, adapter, personal clothing and commonly used drugs.
- (4) For detailed dorm regulation please check **【Annex 5】** Accommodation: codes of conduct for detailed regulation

5. Holidays and other notice

- (1) Though Taiwan is a friendly place, please don't forget to keep your personal and property safety.
- (2) If you take a trip or stay outside overnight, please have the information: time, location, fellow information and transportation registered in the office, please coordinate with the regulation since National Police Agency have related regulation to student from China, any violation could lead to outbound restrictions (send back to China).
- (3) Please keep warm since weather and temperature in Taiwan can change dramatically.
- (4) According to law, you cannot take a part-time job, ride scooter, drive, or any violation could lead to outbound restrictions (send back to China) or send back to home institution.
- (5) The definition of prohibition to work or to take part-time job during study: No working during study. Any work requires labor or other service at work is considered as working, no matter paid or unpaid, but learning in course and service learning are not included. If you are hired in or out of school, you will be requested to depart within limited period, if you don't leave during the period you will be deported.

(6) Please be cautious the storing of purchasing on internet, if you receiving payment is not succeeded or any transferring action required, please check if it is a scam(anti-fraud line165 mobile phone direct-dial)

(7) Division of continuing education hold counseling forum regularly, please make sure to attend, the actual present would be submitted to home institution as reference.

6. School-leaving procedure

(1) Experience and thought short film is required in the ending forum at the end of semester, please prepare 3 minute speech or performance, the video will be submitted to home institution as document.
